## 1. INTRODUCTION ABOUT THE COLLEGE

Haripur is the most famous town of District Kangra and it was the capital of Guler Reyasat founded by Raja Hari Chand in 1415 AD. The town is retaining larger number of artefacts and artists in the great historic and cultural heritage of India during middle, pre-colonial and modern era. The river Banner which is popularly known as Banganga in Kangra separates the town from Guler and makes Pong Wetland is a heaven for large number of migratory birds in winters.

The names Nainsukh and Manku are in golden print of the cultural saga of Haripur in the field of hilly paintings. Thus they occupy a dignified place among great Indian painters. Beyond this great soil of Haripur has contributed to the great Indian literary writings in Hindi through the pen of Pt. Chander Dhar Sharma Guleri. He has enriched Hindi literature with his acclaimed literary masterpieces through his writing excellence. Apart from this his great literary creation *Usne Kaha Tha* adapted by Indian cinema in the form of most famous film bearing the same title starring by popular celebrities Sunil Dutt and Nanda which was screened in 1960.

Started in 1994 as a private college by Bharat Education Society and taken over by the H.P. Government on 20.4.2007, the Govt. Degree College, Haripur (Guler) stands today in symbolic shadow of Pt. Shri Chander Dhar Sharma Guleri. This college has its own building which is one of the most beautiful piece of architecture, the college keeps 90 kanals land near Mata Dhantoshi Temple. The nearest colleges are Nagrota Surian, Dehra and Dhaliara. This area and its youth richly deserves an Institute offering higher education in Science, Arts and Commerce streams that would cater to the aspirations of the people of this region. The college has got the permission to start BCA classes from the academic session 2019-20. This college is well facilitated with Student's furniture, Gymnasium, Wi Fi system, CCTV cameras for surveillance, computer Lab, Science Labs and fully modernised library. In addition to it college is equipped with water purifier, water storage tank and water cooler.

Situated in the lap of nature, this college is imparting education on all spheres of life to the students for their physical, mental, social, cultural and ethical development. Blessed with paucity and divine power from Maa Dandoshi (Damandoshi) students get inspiration to rise high in their life from the altitude of Himalayan peaks and are motivated to lead dedicated life from every flourishing stream of widely speeded Maharana Pratap Sagar (Pong Dam Lake). In this way the college is nourishing the students a multidisciplinary approach including education, personality development and character building to produce a strong native to this motherland.

## 5.9 Admission to First Semester of B.A./B.Sc./B.Com. for the Session 2026-27:

### Important Notice

In alignment with the National Education Policy (NEP) 2020, the semester system for undergraduate courses (B.A., B.Com., and B.Sc.) has been implemented across Himachal Pradesh starting from the academic session 2026–27. Under this system, the total required credits are 128 for a Regular/Pass Course and 168 for an Honours Course. The college offers admissions in the following undergraduate programs:

1. B.A. with option subject (History, Political Science, Economics, Geography, Hindi, Sanskrit, English, Mathematics, Psychology, Music (Vocal) and Physical Education).
2. B.Com.
3. B.Sc. (N.M.): Physics, Chemistry and Mathematics.

## 6. Old Choice Based Credit System (CBCS):

In the academic year 2013-14, with the purpose of ensuring uniformity in the standards of higher education and to provide the students quality education on par with the best in India, the Choice Based Credit System (CBCS) was introduced under RUSA by the Himachal Pradesh University, Shimla. This system was replaced in the academic year 2016-17 by the University Grants Commission (UGC) prescribed framework of the Choice Based Credit System (CBCS). In the year 2018-19, the academic council of Himachal Pradesh University decided to switch over from the CBCS system to the annual system of examination.

The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective/minor or skill based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce uniform grading system in the entire higher education in India. This will benefit the students to move across institutions within India & abroad. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has formulated the guidelines to be followed.

### Outline of Choice Based Credit System :

1. **Discipline Specific Core (DSC) Course** : A course, which should compulsorily be studied by a candidate as a core requirement is termed as a core course.
2. **Elective Course** : Generally a course which can be chosen from a pool of courses and which may be very specialized or advances or supportive to be discipline/subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.
